# MAX REACH® 3-IN-1 Extendable Cordless Yard Care Tool System Combo Kit | Hedge Trimmer | Pole Saw | Leaf Blower | W/ DC 12V 2.0Ah Battery + Charger

## Product Description

### 3 Convenient Functions in a Handheld Tool

One pole powers three sturdy tools to tackle everything from trimming the tallest hedges to sawing overhead branches and trunks and blowing leaves. Do more, in less time! Clean higher and sweep farther with every pass for perfectly trimmed bushes and precisely trimmed trees, bushes and branches. And when you're done, simply remove the dirt and debris! It features three adjustable and interchangeable power heads plus a 5.5-foot adjustable telescopic pole for reaching high or sweeping super low – just grab a battery and go! Swap tools in seconds and switch from 7-inch saw to 9-inch hedge trimmer or to a leaf blower.

The battery provides up to 60 minutes of runtime and can be quickly recharged in just 15 minutes, so it's always ready to go when you are. Say goodbye to heavy, outdated bulky equipment and hello to MAX REACH®, the world's most compact, lightweight and easy-to-use tool system.

## SPECIFICATIONS

## ULTIMATE POWER TOOL INTRODUCTION

Welcome to the 21st century of minimalism and ultra powerful lithium-ion batteries. This new power tool is an amazing clutter saving device for all your powered garden tools and home improvement tools. With 3 interchangeable head for various bushes, trees, and ground, this device will save you many headaches and space.

**Whether you're an avid landscaper, DIY'er, or avoid doing any dirty work, this tool is for you.**

## HOW IT WORKS

Do you ever get overwhelmed with all the clutter in garage or shed? MaxReach has the solution! With revolutionary new technology, one device is all you will ever need! With a long list of available attached, MaxReach is here to make your life easy.

- Hedge Trimmer
- Edger
- Blower
- Lawn mower
- Pruning Shears
- Circular Saw
- Angle Grinder
- Sander
- Jig Saw
- And many more

The market is learning they don't want 15 different tools with 4 different batteries and the solution is here, welcome to MaxReach.

### Key Benefits of MaxReach

1. Max Reach produce 70db, (at 90db, an electric hedge trimmer is very loud and capable of causing long-term hearing damage. Their petrol-powered counterparts easily produce sound levels in excess of 100db, causing hearing damage with less than 10 minutes of use.)
2. No trigger, reduce hand fatigue.
3. Don't have to pull the cord to turn it on.
4. Digital control at your fingertips.
5. Blow and clean your area immediately.
6. Telescopic pole provides reach to high places and prevents user falling off a ladder.
7. Lightweight materials and design causes minimal fatigue, finish both the front yard and back yard in one single session or day.
